**EAST 1/4 CORNER SEC. 28-83-38**

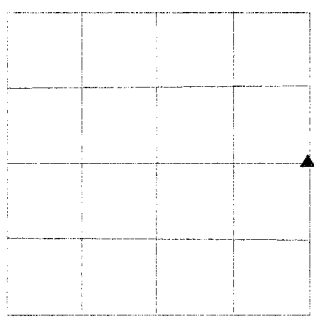

This corner was not set by the government surveyors during the original survey of East Boyer Township. The corner was established by the split of the NE Cor. Sec. 28-83-38 and the SE Cor. Sec. 28-83-38 and the split of the fences compared to the split of the road. The original road #84 was established in 1872. Crawford County was grading the road and needed the corner for alignment purposes.
