UNITED STATES PUBLIC LAND SURVEY CORNER CERTIFICATE

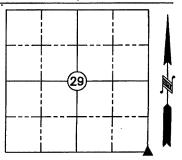

SECTION 29 TOWNSHIP 84N RANGE 38W COUNTY CRAWFORD

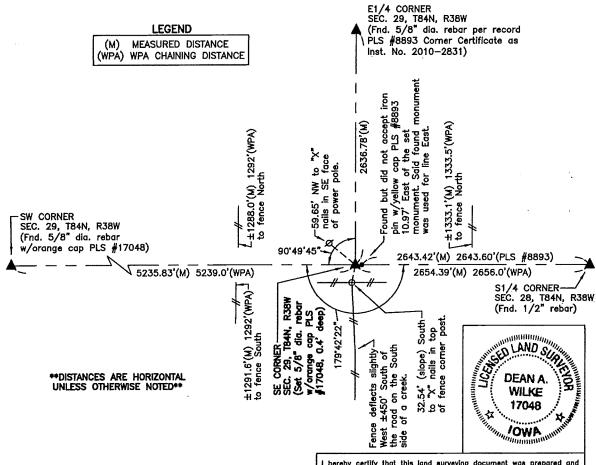

Reason for Certificate: Set & used monument to mark the

Monument Description and Remarks:

East line of the SE1/4 of Sec. 29

SE CORNER - Found the record 5/8" diameter rebar with a yellow cap PLS #8893 ±13' East of a fence South per record Corner Certificate as Inst. No. 2010-2831 at the Crawford County Recorder's Office. Said found monument was not accepted as the Section Corner, but it was held for line East. Set a 5/8" diameter by 24" long rebar with an orange cap PLS #17048 (0.4' deep) at distances proportioned to WPA chaining notes, and by using said found PLS #8893 monument for line East. The fence South of the set monument deflects slightly West ±450' South of the road on the South side of a creek. The set monument fits well with the fence and power pole alignment South of said creek and deflection, but is ± 2.5 East of the fence corner post in the South right-of-way fence. The set monument location checks with WPA chaining distances to 1/4 1/4 fences East & West. This monument was set and used to set steel fence posts along the East line of the SE1/4 of Section 29. No survey will be filed.
