

35736 Using McHenry Bk 19 Page 190-205

Chained North from P. of

CWPR. 18850' N 41° E W-fence  
This was good for NGS Control.

Then Chained in Penn Center of 35-84-331

2595.0 (MCW's measurement) Then 2640 from

P. of 36-21-38. At this point we

found an old walnut stake sitting

straight up & down with small

pieces of wood a creek bed around

it. Set CM 10" below hole

of ditch.

26 Split 60' road & dug in line with

35 ancient fence South. Chaining from west

Checked with Met Bk 66 PP 109 (26270.)

Former party's had found scattered

brick at this point. Set CM about

12" below road.
